- **Financial Management Grant (FMG):** The municipality has received the full FMG allocation upfront. Expenditure is currently at 25%, mainly due to timing differences in planned activities. Spending is expected to accelerate as planned programmes are rolled out during the year.
- Expanded Public Works Programme (EPWP): The municipality has received the first tranche of the allocation but has not yet incurred expenditure. The delay is due to projects being in the mobilization phase, with recruitment and appointment of beneficiaries still in process. Expenditure will start once project activities commence.
- Municipal Infrastructure Grant (MIG): MIG spending has not started. The early tranche received remains unspent.
- Water Services Infrastructure Grant (WSIG): WSIG is progressing relatively well, with 28% of receipts spent to date. Expenditure relates to Waste Water Treatment Works project in Boshof.
- Regional Bulk Infrastructure Grant (RBIG): RBIG is the best-performing grant at 93% expenditure. The high spending reflects payments made for bulk water infrastructure commitments and ongoing construction activities.
